Fund Features

- A multi-asset Shariah compliant investment portfolio investing across Australian and International Shares, Listed Property Securities, Fixed Income (Shariah Compliant) and Cash, with a higher allocation towards conservative asset classes.
- The value of investments can fluctuate. Falls in the value of your investment mainly occur when underlying investments that you have invested in experience a fall in the value of the assets. Changes in the value of investments and/or investment return volatility depends on the nature of the underlying investments.
- Hejaz Islamic Super (Conservative) is suitable for members seeking a diversified investment over a broad range of asset classes which are compliant with Islamic investing standards. The Hejaz Islamic Super (Conservative) option seeks investment return from both income and capital appreciation, with a higher allocation towards conservative asset classes.
- We integrate moral values and socio-economic justice with a balance between the financial and spiritual need through incorporating ethical foundations across all investment decision making processes.
