Employer Contribution Payment Method

You can make contributions for your employees via a clearing house.

Method	Payment	Additional Information
Superstream	Note that employer contributions can only be accepted via SuperStream. The Australian government has passed SuperStream legislation that makes electronic payment of super compulsory. SuperStream transmits money and information consistently across the super system – between employers, funds, service providers and the ATO (Australian Tax Office). The data is linked to the payment by a unique payment reference number. One way to meet SuperStream requirements is to pay super through a compliant clearing house. The ATO offers a free clearing house service to small businesses that have 19 or fewer employees or an annual turnover of less than \$10 million. There other free options for businesses over the threshold of 19 employees that are SuperStream compliant.
