7. Annexures

7.1 BPAY®

(a). BPAY® Payments from your Halal Money Account

Hay Limited is an authorised participant of the BPAY® Scheme. This authorisation enables your access to BPAY® and allows you to initiate BPAY® payments.

To initiate BPAY® payments from your Halal Money Account:

- Initiate a payment via BPAY® using the Halal Money App.
- Enter the correct Biller Code and your unique Customer Reference Number (CRN) and confirm their accuracy.
- Ensure you have an available balance to cover the payment and any related fees at the time your payment instruction is acted upon by Hay.

The BPAY® Scheme, Hay, and Halal Money Visa Debit Card and Account Terms will apply.

Hay is not obliged to process a BPAY® payment if any of the above information is not available or inaccurate.

(b). About BPAY®

BPAY® is an Australian electronic bill payment system, owned by Australia's leading banks via the group called Australian Payments Plus (AP+). It allows consumers to pay bills using their banking services. Highly trusted, it is incorporated directly into online banking platforms, enabling seamless payments to a diverse range of businesses and service providers across the country.

The BPAY® scheme is an electronic payments scheme through which you initiate BPAY® payments to billers who are registered to accept BPAY® payments through the BPAY® scheme. Through the Hay Limited issued products, you have access to specific BPAY® services to initiate payments.

Hay is an authorised participant of the BPAY® scheme and offers this capability as the Issuer of the Card and Account. We will inform you if We cease to become a member and this capability is no longer available.

The terms and conditions set out in this section apply when you initiate a payment through the BPAY® Scheme with Hay.

(c). Using the BPAY® scheme

When you initiate a BPAY® payment, the following conditions must be present and or information must be provided at the time of your instruction;

- The correct BPAY® biller code of the biller to be paid;
- The amount of the BPAY® payment;
- The biller customer reference number;
- The date you wish to initiate the payment;
- The payment frequency. Is your payment initiation a one-time payment instruction or a recurring payment instruction (the Halal Money App will support the required options); and
- The appropriate funds are available in your account at the time of acting on your BPAY® payment instruction (one-time or recurring).
- You acknowledge and accept that a BPAY® payment could fail or be paid incorrectly if you do not provide all the information or provide inaccurate information.

If all the required information is successfully provided, your Account will be debited with the amount of that BPAY® payment on the date you have provided.

You will be unable to initiate the BPAY® payment when your Available Balance does not contain sufficient funds at the time you have initiated the payment or the date if the payment is recurring payment or a one-time future payment date.

(d). BPAY® Scheme Payments

BPAY® operates as a batch processing payment system, which means transactions are accumulated over a period and processed collectively at predetermined times. Financial institutions collect and send payment instructions in batches, usually at the end of the business day, streamlining the payment process between financial institutions and ensuring funds are transferred systematically.

Once you have submitted a BPAY® instruction to pay the instruction cannot be stopped. If your instruction has been made in error, you will need to follow the steps in Clause 9 immediately as there are no BPAY® payment Chargeback rights.

The processing of a BPAY® payment may be delayed where:

- There is a public or bank holiday on the day you instruct Hay to initiate a BPAY® payment;
- You tell Hay to initiate a BPAY® payment on a non-business day;
- Another financial institution participating in the BPAY® scheme does not comply with its obligations under the BPAY® scheme; and
- A biller fails to comply with its obligations
- Under the BPAY® scheme.

Although any BPAY® payment processing delay is not expected to continue for more than one business day, you acknowledge and accept that a delay may continue for a longer period.

(e). Incorrect payment amount to a biller

If you believe that you have made a mistake in a BPAY® payment, you must contact Halal Money as soon as possible so that We can identify and assess the transaction.

If you discover that you have given an incorrect payment amount instruction to BPAY®:

- Contact the biller directly for a refund if the amount you instructed BPAY® to pay is greater than the required amount,
- Initiate a further BPAY® payment to the biller for the difference if the amount is less than the required amount.

(f). Biller unable to process a payment

If your BPAY® payment cannot be processed by a biller, you will be notified and your account credited for the amount of the BPAY® payment.

(g). Biller unable to process a payment

If at any time in the future continued use of the BPAY® service may cause loss to you or Hay elect to not continue with the service, Hay may;

- Suspend or cancel your right to use BPAY® in relation to a particular Biller; and
- Suspend or cancel your registration to use BPAY® without prior notice.

(h). Processing Times

BPAY® payments made on a Saturday, Sunday or Public Holidays are processed on the next business day. BPAY® payments may take longer if the biller does not process a payment as soon as they receive its details.

Liability for mistaken payments, unauthorised or fraudulent transactions.

You must notify Halal Money immediately if:

- You become aware that you may have made a mistake (except in relation to the BPAY® payment amount – see Incorrect payment amount to a biller section above) when instructing Hay to initiate a BPAY® payment;
- You did not authorise nor initiate the BPAY® payment from your account;
- You believe the BPAY® payment was not processed as per your initiation instructions (including delays);
- You think you have been fraudulently induced to initiate a BPAY® payment.

Hay will work the relevant parties to rectify any issues with your BPAY® payment in the way described in this clause. If a BPAY® payment is made on your account without your knowledge or consent, liability for that unauthorised BPAY® payment will be determined in accordance with these terms. Otherwise, except as outlined in this clause, neither the Distributor (Halal Money) or Issuer (Hay) will be liable for any loss or damage you suffer as a result of using the BPAY® scheme.

If a BPAY® payment is made to a person or for an amount that is not per your initiation instructions and your account has been debited with the amount of that payment, Hay will credit that amount to your account. However, if you were responsible for a mistake resulting in that payment, you must repay that amount, and you authorise Hay to debit that amount from your account.

If a BPAY® payment is made in accordance with a payment instruction which appeared to Us to be from you or on your behalf, yet upon investigation it is determined you did not give authority, Halal Money will credit your account with the amount of that unauthorised payment.

If a BPAY® payment is unauthorised from your account, you must give the relevant written consent to the parties to access or receive personal details to allow a full investigation. Halal Money will guide you through this process and you can choose what you will or will not provide which may or may not impact the progress of your claim.

We are not obligated to investigate or rectify any BPAY® payment if you do not give the relevant parties this consent. If you do not give Us that consent, the biller may not be permitted under law to disclose to Hay information Hay needs to investigate or rectify that BPAY® payment.

Chargeback rights do not apply to BPAY® payments.

If you notify Us of a mistake, We will do our best to recover the payment.

You indemnify Hay and Halal Money against any loss or damage We may suffer due to any claims, suits, demands or action of any kind brought against Hay arising directly or indirectly because you:

- Did not observe your obligations under these BPAY® conditions; or,
- Acted negligently or fraudulently in connection with these Terms and any published Halal Money terms.

We are not liable for any consequential loss or damage you suffer as a result of using the BPAY® scheme, other than loss or damage which is due to our negligence or a breach of any condition or warranty implied by law which cannot be excluded, restricted or modified at all or only to a limited extent.

8. Security

8.1 Protecting your important information

It is important you keep your Device, Halal Money App, Card information, PIN and Passcode secure:

You must not:

- Unnecessarily disclose the Card number on your Card.
- Write a PIN or Passcode down either on the Card or on something you carry with the Card.
- Share your PIN or Passcode with any other person.
- Allow another person to register their Biometric details on your Device.

8.2 What to do when you suspect your Card has been lost

If you believe your physical Card is lost (and there's a chance you'll find it) you can Temporarily Block your Card in the Halal Money App so that it cannot be used. While the physical Card is Temporarily Blocked you can continue to use your Card with Apple and/or Google Pay and make payments from your Account. If you locate your Card, you can remove the Temporary Block in the Halal Money App. If you cannot locate your Card, you must immediately mark your Card lost or stolen via the Halal Money App.

8.3 What to do when you suspect your Card or Account has been compromised:

Where you think a transaction is Unauthorised, is otherwise incorrect or someone else has access to your Account, Card, Device, PIN or Passcode, you must report this immediately via the Halal Money App. You should also mark your Card lost or stolen in the Halal Money app.

8.4 Confirmation of Payee

What is Confirmation of Payee?

Confirmation of Payee allows financial institutions to undertake a matching process on account details when their customers (payers) are making an outbound payment using a BSB and account number for the recipient of that payment.

It is intended to assist customers by letting them see more details about where they are paying their money to before making a payment, thereby reducing mistaken payments, and potential loss due to a fraud or scam.

While We do not currently offer this service, other financial institutions may provide it to their customers. As a result, your Account details may be used and shared for Confirmation of Payee purposes.

How it works

When a customer at another financial institution enters your Account Name, BSB and Account Number to make a payment, Confirmation of Payee will check the details entered to "match" the details We hold for your Account.

The paying customer will be able to see the result of the matched record (which may include your name), which enables them to choose whether to proceed with the payment (details match), to pause and check the details again, or to stop the payment (details do not match).

Match outcomes

There are four (4) types of match outcomes, the types and meaning are:

Match	Means the details the payer has entered match your Account records. Your Account name details will be displayed.
Close Match	Means the details the payer has entered closely match your Account records. Your Account name details will be displayed.

No Match	Means that the details the payer entered do not match your account. Your Account name details will NOT be displayed.
Error	The Confirmation of Payee service could not confirm the Account details the payer has entered. Your Account name details will NOT be displayed

What information you should share to receive a payment from someone else?

To receive money from someone else without any potential delays, you should share the name, BSB and Account number for your Account.

Opting out of Confirmation of Payee

Eligible Accountholders may request to opt-out of the Confirmation of Payee service.

This means your Account name and match outcome will not be displayed to payers and could impact the likelihood of the payer proceeding with the payment.

Even when you opt-out of the Confirmation of Payee service, you acknowledge and authorise Us to confirm, disclose, store and use your Account details through the Confirmation of Payee service to government agencies for the purposes of making a payment to you by government agencies.

CoP Acknowledgement

You acknowledge and authorise:

- Us to use and disclose your Account details in the Confirmation of Payee service; and
- Payers' financial institutions to use your Account details for the purposes of the Confirmation of Payee service; and
- Us to confirm, disclose, store and use your Account details through the Confirmation of Payee service to government agencies for the purposes of making a payment to you by government agencies.

9. Responsibility for mistaken or unauthorised transactions

Where you think a transaction is an Unauthorised Transaction or is otherwise incorrect, please get in touch with Halal Money immediately via the Halal Money App and provide as much information as you can about the relevant transaction so Halal Money and Hay can investigate further.

There are specific circumstances and time frames where we can claim a refund in connection with a disputed transaction. This means that our ability to investigate a disputed transaction is limited to the time frames imposed by payment service providers and card schemes (like Visa) that we deal with so it is important to let us know as soon as possible after you become aware of a disputed transaction.

If you suspect that the security of your Halal Money Account has been compromised, please request Halal Money to block your Account to avoid continued unauthorised use.

9.1 Mistaken payment

Where you make a mistake when making a payment, you must inform Us as soon as you realise that a mistaken payment was made. You must provide us with sufficient details of the transaction, so we can attempt to trace it. We will try to reverse the transaction and retrieve your funds. However, if we can't reverse the transaction, we are not responsible, and you will be liable for the mistaken payment.

If We are reasonably satisfied that funds were paid into your account by mistake, through unauthorised activity, or due to fraud, and your account has a sufficient balance, We may debit your account for the amount received and return it to the payer without prior notice.

9.2 Incorrect payments/issues with a purchase

If you have a problem with a purchase made with your Card or a disputed transaction, the first step is to get in touch with the Merchant you made the purchase from.

If you cannot resolve the matter with the Merchant, contact Halal Money about the disputed transaction via the Halal Money App.

9.3 Lost, stolen Card or compromised PIN

You will not be responsible for Unauthorised Transactions:

- That occur before your Card is issued to you;
- That occur after you have Temporarily Blocked or cancelled your Card and while it remains Temporarily Blocked; or
- Where you didn't contribute to the Unauthorised Transaction.

We may consider that you have contributed to an Unauthorised Transaction where:

- You have not kept your Card, PIN or Passcode reasonably secure; or
- There was an unreasonable delay in Disabling or cancelling your Card where you believed it was lost, stolen or otherwise compromised; or
- There was an unreasonable delay in reporting any unauthorised or mistaken payments.

10. Transaction history

You can view your transaction history on the Halal Money App at any time. We take security very seriously but please regularly check it to make sure there is nothing unusual such as:

- Transactions you don't recognise;
- Transactions you didn't authorise;
- Transactions where you never received the relevant goods or services;
- Transactions where the purchase price differs to the purchase amount; or
- You think a transaction may have been duplicated.

11. Changing the status of your Card and Account

(a). Accountholder instruction to close Account

You can provide instructions to close your Card or Account via the Halal Money App. All transactions, including any fees or charges owing on your Account must be settled and the balance brought to \$0, before We can close your Account.

(b). When We can Block or close your Card and/or Account

We may close your Card and/or Account after giving you reasonable notice.

In some circumstances, at our discretion, We may Block or close your Card and/or Account without notice: if:

- If We have concerns about its security or if We suspect your Card or Account has been compromised;
- If We become aware that you haven't complied with these Terms or any published Halal Money terms;
- If We are required to by applicable laws;
- If We suspect that your Card or Account are being used for illegal activity;
- To manage any risk;
- If We reasonably consider that a transaction is fraudulent, in breach of the AML Act, or if We have concerns regarding money laundering or terrorism financing risk;
- If we reasonably consider you are engaging in conduct that is:
 - coercive or controlling behaviour to limit a person's access to or use of funds;
 - making profane, derogatory, discriminatory or harassing comments to any person;
 - making or promoting threatening or abusive language to any person;
 - making or threatening physical or psychological harm to any person.

Where possible, We will inform you why We have suspended or closed your Card and/or Account, however, in some cases, our legal obligations may prevent Us from providing this information, and our failure to inform you of the reasons does not constitute a breach of these Terms.

Hay is not responsible for any loss that arises where We Block or Cancel your Card and/or Account.

(c). If We cancel your Card and Account:

- You must pay any outstanding fees or charges owed to us.
- We may need to wait for all pending transactions to be processed and for your account balance to reach \$0 before We can close your account.
- If there is a credit balance remaining, We will take reasonable steps to return it to you.
- Where there is no Available Balance and your Halal Money Account is overdrawn, the overdrawn amount becomes immediately due and payable and Hay's right to payment of the overdrawn amount from you is assigned to Halal Money and for the purpose of Halal Money's legitimate business interests, you agree to do all things necessary to perfect the assignment of rights.
- You will no longer be able to use your Card or Account.
- You remain responsible for any transactions that occur on your Card or Account (including outstanding Card transactions), even after cancellation.

12. Responsibilities and boundaries

Hay is responsible for issues that occur due to our error. This includes instances where your Card or Account is incorrectly debited because of our mistake. However, We are not responsible for issues outside of our control, such as:

- When a Merchant does not accept your Card;
- Delays or interruptions not caused by us;
- Transactions that cannot be processed despite our reasonable precautions;
- Disputes between you and the supplier of goods or services Purchased with the Card or Account.

To the extent permitted by law and Visa scheme rules, Hay's maximum liability is the value of a transaction processed due to our error. For other issues that Hay may be responsible for, our liability is limited to the amount of your Available Balance.

13. Complaints

If you have a complaint relating Card or Account or the financial services We have provided to you, you can make a complaint to Halal Money, to Hay or to the independent complaint handling body, AFCA.

If you have a complaint, please contact Halal Money in the first instance.

If you are unable to resolve your issue with Halal Money directly, you can escalate your enquiry to Hay via complaints@hellohay.co.

We will acknowledge your complaint within 1 business day and respond within 30 calendar days.

If We cannot complete our investigation within 30 calendar days, We will let you know why before the 30 calendar days lapse.

It's important you raise your concerns with Us first before going to AFCA, as AFCA will generally encourage this before they will deal with a complaint matter.

14. Applicable Laws

Anti-Money Laundering and Counter Terrorism Finance (AML) laws

As the issuer of the Card and Account, Hay must comply with the Anti-money Laundering and Counter-terrorism Financing Act 2006 (Cth) (AML Act) and its related Rules.

There are several obligations under the AML Act which We must comply with including know your customer requirements – this is why We require you to provide evidence of who you are and where you live.

Verifying your identity and the Document Verification Service

When you provide your identification information, We are required to verify that information, which We do through independent providers, one of which is the Document Verification Service or DVS.

DVS is provided by the Australian Government, and allows Us to verify your identity documents, such as your driver's license, passport and, if applicable, your residency status (Visa check). When you are completing the application process and uploading your identity document(s), you will be asked to provide a consent for your document to be verified by the DVS as part of that process – this is part of the online process, and you may choose to either (i) provide your consent or (ii) not provide your consent.

What happens if you do not consent to have your identity verified?

If you do not provide your consent for the DVS to conduct the verification of your identity document, We may not be able to validate your identity. If We cannot complete your identity verification, We may not be able to provide you with the product and services you are seeking from us.

Notifying changes to your details

You must let Us know as soon as possible when any of your details change. You can update your information by accessing the Halal Money App at any time.

If you have any issues with making changes to your details, please contact Us for assistance.

What happens when We have a concern about a transaction?

Hay is committed to protecting you and your monies from fraud and scam activities.

Where We reasonably consider that a transaction is fraudulent or may breach the AML Act, We may need to delay or refuse transactions or Block or close your Card and Account. We must Block the Card and Account until We can verify or re-verify your identity.

We are not responsible for any loss that arises where this occurs.

Where We can, We will let you know why We have stopped the transaction or Blocked the Account. However, in some instances our legal obligations will stop Us from being able to tell you and failing to inform you of the reasons is not a breach by us.
